## Back-Up

# Active by Command

Portfolio	Initiative	Command/Agency	Description
Knowledge Based Services	DLITE	INSCOM	Foreign language support of services and capabilities to meet ongoing new and/or changing requirements of the INSCOM
Knowledge Based Services	AMCOM Express	AMCOM	Programmatic services to AMCOM, Army PEOs, Army Research, Development, and Engineering Command (RDECOM), and other Army/DoD organizations
Knowledge Based Services	ARIC MATOC	TRADOC	Support services for the Army's ARCIC (Army Capabilities Integration Center)
Knowledge Based Services	MCOE	TRADOC	Mission-related support services across 7 task areas for the MCoE
Knowledge Based Services	FCoE	TRADOC	Instructor and training in support of Program of Instruction and Tactical Related Applications Program
Knowledge Based Services	SCoE	TRADOC	Instructor and training support to Ordnance, Quartermaster, Transportation schools
Knowledge Based Services	DoD DOMEX BPA	SDDC/TRANSCOM	Domestic express delivery services for the United States DoD
Knowledge Based Services	CECOM R2-3G	GSA	Provides rapid access to products/svs to R&D, upgrade, install, fabricate, test, operate, maintain and support new and

# Active by Command

Portfolio	Initiative	Command	Description
Electronics & Communications	CHESS (ITES 2S)	PEO EIS	Provides full range of IT services and solutions to the federal government
Electronics & Communications	CHESS (SB)	PEO EIS	Full range of IT support services and solutions
Electronics & Communications	CHESS (ITES-2H)	PEO EIS	Purchase or lease of IT hardware solutions
Electronics & Communications	NexGe	PEO EIS	External wireless services and devices
Electronics & Communications	MFD	PEO EIS	Purchase and lease of MFC equipment, accessories, maintenance...
Electronics & Communications	ELA	PEO EIS	Adobe Acrobat Professional licenses, upgrades to existing licenses and maintenance
Knowledge Based Services	HR Solutions	PEO EIS	Provides administrative and support services to Soldiers and their Families
Knowledge Based Services	WFF	PEO STRI	Worldwide integrated operations, maintenance, sustainment, instruction, and other training support services for training devices, simulators, simulations, Combat Training Centers, and Ranges <sup>6</sup>

# Active by Command

Portfolio	Initiative	Command	Description
Logistics Management	LOGCAP	AMC	Provides service capabilities to meet externally driven operational requirements for rapid contingency augmentation support.
Medical	Behavior Health	MEDCOM	Throughout Europe, Health Care is provided for the treatment of behavioral health and traumatic brain injury patients.
Medical	Reference Lab	MEDCOM	Clinical laboratory services to DoD CONUS and OCONUS
Engineering and Technical	Scientific Services Program	ACC-APG	Mechanism that enables all federal govt organizations to obtain scientific/technical services needed to accomplish organizational goals and mission objectives.
Engineering and Technical	ARL III	ACC-APG	Furnish personnel, facilities, equip and supplies to perform svcs including studies, tech investigations, R&D, experimentation, logistics support for item and systems supporting upgrade and modernization.
Engineering and Technical	TEIS III	ACC-APG	Supports full life cycle of Information Systems and Engineering Command to include planning, design, development, engineering, implementation, procurement, logistics, evaluation, test, sustainment, and ancillary services.
Engineering and Technical	BioFire Diagnostics	ACC-APG	Provides Army and FDA with cleared diagnostic platform and related development of FDA cleared EDB Biological Warfare Agent

# Active by Command

Portfolio	Initiative	Command	Description
Engineering and Technical	MCM ADM	ACC-APG	Enables development of medical countermeasures to protect and treat military populations against chemical, biological, radiological, and nuclear attacks and outbreaks of naturally occurring emerging and genetically engineered infectious diseases.
Engineering and Technical	NSRDEC	ACC-APG	Research, development, systems engineering, and services with a unique human-centric focus.
Engineering and Technical	Navy Omnibus III	ACC-APG	Provides personnel and process infrastructure to assist Navy Medicine's mission to conduct R&D.
Engineering and Technical	SUAS	ACC-APG	Manufacturing, testing, packaging, marking, storage and shipping services.
Engineering and Technical	SSES NexGen	ACC-APG	Provides software and systems engineering, and technical services in support of the Software Engineering Center.
Electronics and Communication	GTACS	ACC-APG	Design, development, acquisition, production, deployment, operation, maintenance and associated svcs for PEO Control and Communications-Tactical systems hardware.
